## The inaugural issue of the *Checkup*

History has shown that nursing was not a respected profession until Florence Nightingale in the late 1800's. Today nurses are respected and are given more opportunities to engage in unique endeavors than ever before. At MDT Institute of Technology we will work diligently to help you achieve your goal of becoming a nurse. MDT is an academic nursing institution that delivers exceptional education and service to its students. Professional faculty, administrative expertise, modern equipment, current materials and teaching methods, and a state-of-the-art campus environment provide the foundation for an exceptional learning experience. Our programs stress practical application and provide hands-on experience necessary for the students to succeed in their professional career. We strive to create and provide a high quality educational experience to each student seeking to establish a successful career. This newsletter is just another way for MDT to remain connected with students past, present, and future.

Welcome MDT students! ^^

Things to consider as the semester begins:

- Get your **books** ASAP!  
(All books are required!)
- Be **on time** to all classes!
- Establish an **email** to use for communication with teachers and classmates
- Check your **records**; be sure that all of your medical records are up to date and verified
- Introduce yourself to Livingston Newman; he makes the campus run from the front desk
- Review the Student Handbook (link to the left, and on MDT site)

MDT College of Health Sciences... Jennifer Sherman. Starting out as a Public Librarian in 2003 in New Jersey, Ms. Sherman returned to her hometown in 2008, and came to MDT in January 2011. In January 2015, she was a nominee for Teacher of the Month.

Ms. Sherman has enjoyed her position here, and has been known to say many times to many students "There's no such thing as a stupid question".

Please see Ms. Sherman for assistance with Evolve (Adaptive Learning and Practice Tests and Case Studies), HESI remediation, research, and to find materials for your class assignments and homework.

She can be reached at:  
[library@atsinstitute.edu](mailto:library@atsinstitute.edu)

Tel: 440-573-000 Ext: 120

<b>Science:</b>	Stella Milliron	smilliron@atsinstitute.edu
<b>English:</b>	Jason Kustron	jkustron@atsinstitute.edu
<b>Nursing Instructors:</b>		

Annette Reisner, Louise Vadasz, Lisa Kaminski, Raquelle Russell, Linda Schindler, Barb Schlueter

## In the Student Services with Mr. Kustron

"Working with first-generation college students is my passion," says Mr. Kustron otherwise known as "Mr. K" I know how hard it can be." The Learning Center at MDT provides adult learners with a full array of supportive services from the weekly Academic Success Workshops to one-on-one academic coaching, with study groups, teacher-lead group reviews, and tutoring in-between. Mr. K, also teaches Success Strategies for incoming students.

He's especially well-qualified for his role at MDT.

Among the new ideas he brought to MDT was Stress Busters during Finals Week and borrowing textbooks to study in the Academic Success Workshops.

"The adult students at MDT are really remarkable. I admire their determination to go after their dream of being nurses, whatever roadblocks they encounter," she says.

Stop in to the Student Services Offices with any questions, concerns, or interests! The main Student Services Offices are located in the Main Building, directly across from vending. The Student Services Office, Tutoring Room, and NCLEX Room are all located here
