I. Spring 2019 Changes for incoming students

In addition to the “Fall 2018 Student Handbook and School Catalog,” the following policy changes are in effect and replace/update those original policies with same name for the spring 2019 semester for incoming students.

1. Placement Examinations

The following was removed from the policy:

Science Placement

Should the student score below the required benchmark on the science placement exam, he/she will be enrolled into BIO0930.

II. Spring 2019 Changes for incoming students and current students

In addition to the “Fall 2018 Student Handbook and School Catalog,” the following policy changes are in effect and replace/update those original policies with same name for the spring 2019 semester for incoming students and current students:

1. Academic Calendar

The Academic Calendar was updated to correct 2 dates with typos:

Fall 2018 Semester	
February 1, 2019	Last day for Chicago Graduates
Summer 2019 Semester	
September 27, 2019	Last day for Chicago Graduates

2. Registration

The following was removed from the policy:

Verification of Enrollment

Students are required to review and verify the accuracy of the Registration Verification Form on their individual NSST account. Access to the NSST system is provided automatically upon enrollment. If an error is present on the form, such as missing classes or incorrect course progression, the student should contact the Registrar immediately to update his/her plan of study. Requests for changes in schedules for all other reasons must be submitted in writing by the “Request for Schedule Change” form. Requests will be reviewed by the Registrar’s office and students will be notified of any changes. Requests for specific instructors and sections will not be considered. Requests should be detailed and provide significant justification for adjustment to a student’s registration. No changes to the enrollment will be accepted after the Add/Drop period stated in the Academic Calendar.

Failure to rectify any errors with course schedules or information noted on the Registration Verification Form may lead to incorrect grades or financial penalties.

3. Notifying Students of Changes

The following paragraph within the policy was updated:

When a change is made to a policy that affects students, they will be notified by email via College Office with a link to the newly published Handbook and/or Addendum. In addition, changes in policy will be communicated through postings, convocations and/or announcements.

4. HESI Policy

The following paragraph within the policy was updated for clarity:

- a. If the student does not achieve the established benchmark after the second attempt, the student repeats the corresponding class. (Not Appealable.) The student may take other classes that

the corresponding class is not a pre- or co-requisite for. After repeating the class, the student attempts the CCE a third time during week 13.
