I. Spring 2020 Changes for incoming students

In addition to the “Fall 2019 Student Handbook and School Catalog,” the following policy changes are in effect and replace/update those original policies with same name for the spring 2020 semester for incoming students.

1. Admission Requirements

The following requirement was updated in the policy:

Background check through school designated provider

2. Admission Procedures

The following was updated in the policy:

Schedule a background check through the school designated provider

3. Course Grading and Quality Points in Nursing Programs

The last line in the following paragraph was updated in the policy:

In addition, the student must achieve the following: Students must receive a 76% or higher in both testing and non-testing scores to successfully pass the course. Effective fall 2019 for incoming students or students repeating Fundamentals, students must receive a 78% or higher in both testing and non-testing scores to successfully pass the course. Exception: students in any Math course must receive an 80% overall grade with a minimum of 80% on the final exam.

II. Spring 2020 Changes for incoming students and current students

In addition to the “Fall 2019 Student Handbook and School Catalog,” the following policy changes are in effect and replace/update those original policies with same name for the spring 2020 semester for incoming students and current students:

1. Clinical Requirements Policy

The following line was removed from this policy:

In addition, if a student misses a clinical, he or she must pay a fee of \$250.00 prior to the scheduled make-up.

2. Standards of Satisfactory Academic Progress (SAP)

The following was added to the policy:

For students in the GI Bill® program - educational benefits will be discontinued, pursuant to 38 U.S.C. 3474 when the veteran or eligible person ceases to make satisfactory progress and is placed on financial aid suspension.

3. Student Right-to-Know Act and Campus Security Act

The following policy was updated:

Under the terms of the Student Right-to-Know and Campus Security Act, the College must maintain and report statistics on the student graduation / completion rates and campus crime statistics to employers, current and potential students. Both of these reports are available on the school website.

4. Institutional Disclosures Report

The following policy was updated:

Reporting Period: July 1, 2018 - June 30, 2019

INSTITUTION NAME: MDT College of Health Sciences, Inc., dba ATS Institute of Technology	<p style="text-align: center;">Indicate all ways the disclosure information is distributed or made available to students at this institution:</p> <p>X Attached to Enrollment Agreement</p> <p>X Provided in Current Academic Catalog</p> <p>X Reported on School Website</p>

B1) The number of students who took a State licensing examination or professional certification examination, if any, during the reporting period.		98				

B2) The number of students who took and passed a State licensing examination or professional certification examination, if any, during the reporting period.	80				
C) The number of graduates who obtained employment in the field who did not use the school's placement assistance during the reporting period; such information may be compiled by reasonable efforts of the school to contact graduates by written correspondence.	unknown				
D) The average starting salary for all school graduates employed during the reporting period; this information may be compiled by reasonable efforts of the school to contact graduates by written correspondence.	unknown				

*Course of Instruction is defined as a standalone course that meets for an extended period of time and is directly individual courses that make up a Program of Study are not considered courses of instruction.

Note: As indicated in the PBVS Administrative Rules, Section 1095.200, student retention and graduation rates must be maintained that are appropriate to standards in the field. Furthermore, a State licensing examination or professional certification examination passage rate of at least 50% of the average passage rate for schools within the industry for any State licensing examination or professional certification examination must be maintained.

} In the event that the school fails to meet the minimum standards, that school shall be placed on probation.

} If that school's passage rate in its next reporting period does not exceed 50% of the average passage rate of that class of schools as a whole, then the Board shall revoke the school's approval for that program to operate in this State. Such revocation also shall be grounds for reviewing the approval to operate as an institution.
